

## **Village of Nassau Master Plan Update Committee**

**Committee Meeting: March 13, 2014**

### **Meeting Minutes**

#### **Public Comment**

None

#### **Review of Minutes from Feb 27, 2014 meeting**

The minutes were approved without comment.

#### **Village Board Liaison's Report**

No feedback on survey. \$400 in Village Budget approved for committee printing expenses.

#### **Public Meetings Planning & Preparation**

Josh presented a draft outline for the structure of the meetings (attached).

A summary and timeline of the Master Plan update process should be posted at the meetings.

Larger format displays will encourage interaction and discussion.

Age, households, industry, employment stats, unemployment over time, income demographics would be helpful graphic displays.

Presenting a slideshow of photos from around the village to summarize "Nassau Today" would be an effective visual aid.

Displays:

- Process/timeline
- Topics likely to be addressed in master plan
- Water system map

- Zoning district map
- Housing district map

**Committee Questions/New Business**

None.

**Public Comment**

None

Meeting was adjourned at approximately 8:00 pm
